## Checklist for Returned School Forms: Elementary-Middle school students

Returning to, or enrolling in, school involves excitements and forms that are included in this packet.

Please complete and return all the forms at one time, sign this letter, and turn everything into the office.

**It is a state requirement that we have all completed forms before your child will be allowed to start school.**

### Public School Registration

Children who are five years old on or before September 1st must be registered with your public school district. This is required for all children attending either a private or a public school. Once a child is registered, he or she receives a student ID number.
